technical rider / stage plan

Version: 2011-03-01

Band contact : Johnny (drums) - tel: +31 (0)6 -24 44 46 88 / e-mail: info@nuestrosderechos.nl

- A) 5-piece drum set:**
- 1 x kick drum with twin-pedal
 - 2 x tom-toms (high toms)
 - 1 x floor tom (low tom)
 - 1 x snare drum
 - cymbals:
 - 1 x hi-hat
 - 2 x crash
 - 1 x ride
 - 1 x china

Optional: 2 separate kick drums

We need 230V AC near the drums for Johnny's click track.

- B) Bass guitar for Janet: top + cabinet**

- C1) Guitar for Jerry: top + cabinet**

C2) When available/possible, we'd like to place a 2nd cabinet next to Janet's bass amplifier, plugged in from the first guitar amplifier.

D1+D2+D3 = monitor speakers

3 x vocal microphones.

Jerry and Janet deliver lead vocals, Johnny does backing vocals (usually on a lower volume).

Vocal microphone near the drums preferably on a boom stand with an extending telescope arm.

Nuestros Derechos bring their own backline (drums plus 1 guitar amplifier and 1 bass amplifier), unless otherwise is arranged. Nuestros Derechos do *not* bring a PA system (for vocals), unless otherwise is arranged.

This technical rider contains merely guidelines; we understand when a venue isn't able to fulfill our wishes. In case of doubts please contact us! See contact details at the top of this page. Thanks!
